

# TracPhone® V3HTS Airtime Rate Sheet

## KVH TracPhone V3HTS – The world’s fastest, lightest ultra-compact marine VSAT

TracPhone V3HTS is the new 37 cm marine VSAT system that saves you from being tethered to shore. It delivers unmatched speed and the power to go farther and faster than ever before with global connections via KVH’s mini-VSAT Broadband<sup>sm</sup> HTS network – the no. 1 maritime VSAT service.<sup>1</sup> Plus, the TracPhone V3HTS outperforms leading competing 60-85 cm Ku-band antennas and sets a new standard in marine satellite communications. It’s never been so affordable or easy for everyone onboard to browse the Internet, get weather information, stream HD content, chat via services like WhatsApp™, connect with the office, check emails, and more.

## HTS Metered Rate Plans

- All plans offer highest speeds of up to 5 Mbps/2 Mbps (down/up)<sup>2</sup>
- Unrestricted access to all applications and protocols
- Background data management available to minimize unintended data use by automatic protocols like Apple iCloud®, Google Drive™, software updates, etc.
- 100% transparency with easy-to-use alerts, system configuration, and crew allocation tools via the secure myKVH™ portal and mini-VSAT Manager suite of tools
- Affordable overage rates
- Includes 1 phone line for TracPhone Enhanced Voice Service with the option to add up to 5 virtual numbers for local calling
- Long distance phone service with simple, single price worldwide

### NEW PLANS & LOWER RATES!

*KVH’s simple, flexible usage-based plans provide fast, reliable service and low costs, starting at just \$99/month for 200 MBs of data!*

| DATA SERVICE (Ku-band)                                          |                       |                         |                    |                     |                       |

## Go Figure!

To help you determine which plan best fits your needs, here are some estimated data usage amounts to help you get started:

| Send/Receive/Download:                                      | Approx. Data Usage: |
|-------------------------------------------------------------|---------------------|
| 1 email (text only)                                         | 0.01 MB             |
| 1 email with attachment (typical Word, PowerPoint or Excel) | 0.30 MB             |
| 1 web page load                                             | 0.30 MB             |
| 1 hi-res smartphone photo                                   | 1.00 MB             |
| 1 30-second YouTube clip                                    | 2.00 MB             |
| 1 3-minute song                                             | 1.50 MB             |

**You can do A LOT  
with a MB!**

- 100 emails!
- 3 emails w/attachments!
- 3 web page loads!
- 1 hi-res smartphone photo!

Approximate usage only; actual amount of data for described activity can vary significantly.

**TracPhone V3HTS**  
The speed and power for every connection you need onboard

## TracPhone Enhanced Voice Service... the Best in the Business!

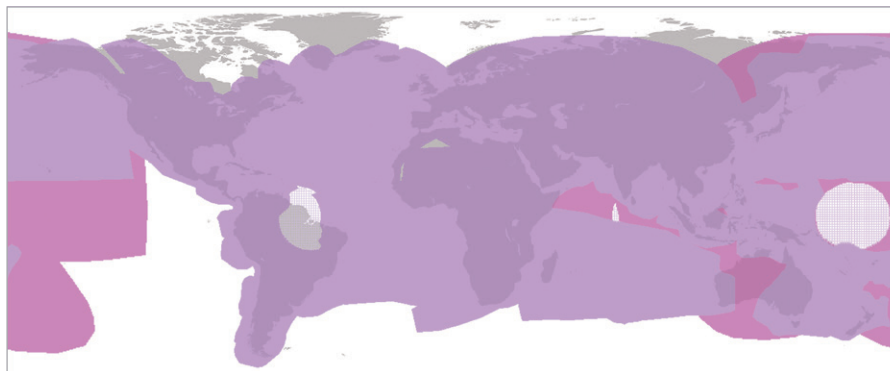

TracPhone's Enhanced Voice Service is a managed solution optimized for satellite communications and fully integrated into the mini-VSAT Broadband solution. Network voice prioritization assures that bandwidth is allocated to the telephone line to ensure the high quality of your voice connection even while other users surf the web, log into corporate networks, or send and receive email. With TracPhone Enhanced Voice Service you will enjoy always-on voice connections and a great suite of convenient features and account management tools that you can access anywhere in the world!

## Bring Broadband Hardware & Service Onboard for One Low Monthly Price

In today's competitive market, you need to run a smart and efficient business. That's why KVH has made it even easier to bring broadband connections onboard with our flexible and affordable Equipment Leasing Program. Avoid a major capital investment when upgrading your vessels and treat these powerful SATCOM solutions as a multi-year operating expense. KVH's Leasing Program makes updating your broadband connections and VoIP telephone service more affordable than ever! Contact your dealer/distributor or KVH Sales for details.

## mini-VSAT Broadband Coverage

The TracPhone V3HTS delivers the same global connections enjoyed by the largest vessels. KVH's mini-VSAT Broadband HTS network offers unmatched speed and coverage using advanced, new next-generation high-throughput satellites (HTS) from Intelsat and SKY Perfect JSAT.

Current Coverage
  Anticipated 2019 Additional Coverage
  The TracPhone V3HTS is a 2-axis, stabilized antenna that does not provide coverage in areas where the satellite is directly overhead as shown in the hatched areas above.

## General Terms

- All prices are in USD and do not include any taxes or fees that may apply.
- Subscription period is month-to-month, except for leased systems, where the initial contract term is concurrent with, and extends to the end of the lease period.
- Published data rates are rate plan maximums and may vary in different regions and under different conditions.
- A maximum of 5 Global Static IP addresses are available per modem. See [www.kvh.com/staticip](http://www.kvh.com/staticip) for details.
- Subscribers are permitted to change subscription plans and suspend service with certain restrictions. For complete details, see KVH mini-VSAT Broadband "Airtime Rate Plan Changes and Suspension Policies" at [www.kvh.com/mvbcustomercenter](http://www.kvh.com/mvbcustomercenter).
- A KVH-assigned voice line phone number is provided at no charge. A user-specified voice line phone number is \$20/month.
- Virtual local phone numbers can be added for a monthly fee of \$20 per number (5 max.) where available and are subject to in-country regulations. The list of available area/city codes worldwide can be found at [www.kvh.com/mvbcustomercenter](http://www.kvh.com/mvbcustomercenter).
- Both incoming and outgoing calls are charged at \$0.49/minute. A few select countries and satellite phone services are blocked. Contact KVH Airtime Services for special rates for these areas and services.
- All services and plans are subject to the KVH Master Services Agreement.
